ORDER

At the conference held on Monday, December 19, 2022, Class Counsel informed the Commission that several claimants on the Agency's Untimeliness spreadsheet had designated Thomas & Solomon, PLLC to represent them. However, according to Class Counsel, they were unaware that they were designated Counsel for these Claimants and requested time to determine the exact number of these people and to contact them.

Class Counsel is instructed to file its Motion for Extension by **Tuesday, December 27, 2022**. Agency's response, if any, is due **Tuesday, January 3, 2023**. No reply or sur-replies will be considered.

Class Counsel's request for an extension of time to submit all relevant information in its possession that may rebut the Agency's allegations of untimeliness is **GRANTED**. Class Counsel's submission is due **February 1, 2023**.
