**Subject:** [EXTERNAL] ORDER TO PRODUCE INDEX

**CAUTION:** This email originated from outside USPS. **STOP and CONSIDER** before responding, clicking on links, or opening attachments.

Class Counsel,

As part of your July production, you produced documents which did not contain metadata which either identified the claim number or the class member's name. Rather, the file name consists solely of a number (e.g. 000000001.pdf - 65000244.pdf). These files have the following folder path: \Files\Attachments A - F\Attachment F - Productions by Phase I Class Counsel\~Initial Claim Form Submissions to USPS by Phase I Class Counsel\Final Production (04-12-18)\McConnell 5 - 04-12-18.zip. EEOC estimates that are approximately 10,000 such files.

Please indicate whether there exists an index for these files so that the EEOC may more easily relate the document to the applicable claim number or class member name. If no such index exists, Class Counsel is ordered to create and supply such an index by September 21, 2023.

So ORDERED
